

Sec. 94-171. - Intent.

The intent of the industrial districts is to allow a variety of industrial and industrial-related activities and uses at specific locations within the city. Light industrial districts are located to minimize the effects of their activities on adjacent nonindustrial uses.

(Code 1979, § 33-71; Ord. No. 4660-16, § 4, 12-5-2016)
